

PEERS Social Skills Group

Evidence-based intervention focusing on making and keeping friends for adolescents (ages 11-18) with ASD and other neurodevelopmental disorders

Now enrolling for summer and fall groups!

Your teen will learn:

- Conversation skills
- How to have get-togethers
- Appropriate use of humor
- How to be a good sport
- How to handle teasing and bullying
- How to handle rumors and gossip
- How to handle arguments and conflict
- ... and more!

16-week group with parent participation

Call to schedule an intake today!
