## 2020-21 Academic Year Tuition & Fees

Our Adult Programming schedule currently runs from 12pm-5pm, Mondays through Thursdays. Full-time tuition for the school year is \$18,500 (plus a \$300 technology fee).

An all-day schedule is also available for those who want to continue to build on their academic skills. Our all-day tuition cost is \$30,325 (plus a \$300 technology fee). Tuition assistance is also available for all-day students.

Tuition Assistance for full-time students is available based on need and how much we are able to raise through our development efforts. Individuals who qualify for state and county funding may be able to use their funds towards the cost of tuition. In Minnesota, this is most often through the CDCS services. Contact our office for more information if you believe you are eligible.
