

2021-22 Academic Year Tuition & Fees

ALL GRADES K-12	\$31,800... plus a \$300 technology fee
------------------------	---

Tuition includes all textbooks and school supplies. It does not include before or after school care, co-curricular activities or lunch.

Financial Aid

We at Academy of Whole Learning understand and appreciate the financial commitment families assume in deciding to send their children to a private school like ours. We do offer financial assistance based on a family's need and the amount of money we are able to raise through development efforts. If you are interested in financial aid, please inquire.

Robert. F. Crosby Scholarship

Robert and Teri Crosby have generously donated \$1 million to establish the Robert F. Crosby Scholarship Fund. This scholarship fund will provide financial support to eligible families who would not otherwise be able to afford the tuition to attend Academy of Whole Learning. To apply for this scholarship, please submit form at www.aowl.org/rfc_scholarship, as well as a TADS Financial Aid Application. *Please note: The Crosby scholarships have already been awarded for the 2021-22 school year.*

Got it! Tutoring

Got it! Tutoring provides additional intensive, one-to-one support for your student in the critical areas of language arts and/or math. Tutoring services are provided by our special education teachers, and can be purchased in blocks of ten hours. Upon receiving registration and payment, your tutor will contact you directly to set up tutoring sessions.

\$600..... Ten (10) one-hour, one-to-one tutoring sessions.

Co-Curricular Activities (Clubs & Athletics)

Co-Curricular activities engage students. Students can contribute and develop leadership skills through participation in service learning and after-school activities such as clubs and athletics. These activities enable students to be more self-directed, allow them to explore areas of interest and provide opportunities to experience success. Please visit our website or refer to the Co-Curricular page on our website for more information and pricing.

Transportation

We are happy to continue our partnership with Breck School Transportation! Students must be able to make a one bus transfer at Breck School independently. Cost of transportation depends on mileage/location and if it's one-way or round-trip. This costs roughly around \$2,000 (one-way) and about \$3,500 (round-trip) per-year. For more information please contact the main office at office@academyofwholelearning.org / (952) 737-6900.
